It seems that Weyburn has joined in the Pokémon Go craze. While engaged in the game we urge you to know that it is just a game and that you are not authorized to go onto private property without permission, or to cause any type of traffic disruption or disruption in a business. We have heard anecdotally in the past week that there have been minor incidents as a direct result of searching for the illusive Pokémon's. Please play safe and remember not to infringe upon the rights of others while you are engaged in playing the game.
