- October 25th: At 18:07 Hrs. Weyburn PS attended a motor vehicle accident involving a 25 year old male and a 36 year old female at Gov't Rd and 1st Ave. N. Both vehicles had extensive damage. No injuries to either party involved in the accident. The roads were wet and raining at the time of the accident. No charges were laid.

- October 26th: At 09:48 Hrs. Weyburn PS attended Weyburn Comprehensive School regarding computer hacking. Two youths, one 15 and one 16 year old, were found uploading software to record user names and passwords on school computers. Both have been charged with Mischief to Computer Data.

- October 27th: At 08:16 Hrs. Weyburn PS received a call from Weyburn Comprehensive School of graffiti being sprayed on the community track sign and on a building. There was a swastika painted on some of the equipment that was in the area. If anyone has any information related to this offence please call the Weyburn Police Service or Crime Stoppers.

- October 27: At 13:02 Hrs. a 39 year old female reported that her vehicle was stolen on an earlier date. The culprits or culprit located a blank cheque in the victims truck that was stolen and forged the victims name on the check; obtaining a sum of money from the victims account. The incident is still under investigation by police.

- October 28th: At 08:53 hrs. Weyburn Police received a call of missing an 18 year old female. Members were able to locate the missing female a very short time later safe and sound.

- October 30th: Police received a call from a 32 year old female claiming she had a flat tire on her vehicle while travelling through Weyburn. The complainant had left her vehicle in town due to the flat tire and carried on with her trip with a friend. Weyburn police later received a call from Moose Jaw Police stating that the victim's vehicle had been located by the Balgonie RCMP. The complainant states the car was stolen from Weyburn where it was last seen. The file is still under investigation by police at this time.
