**CITY OF WEYBURN
BYLAW NO. 2016-3346**

**A BYLAW OF THE CITY OF WEYBURN
TO REGULATE TRAFFIC AND
CONTROL THE USE OF PUBLIC HIGHWAYS**

Whereas *The Cities Act*, S.S. 2002, c. C-11.1, in section 12, gives cities direction, control and management of all streets within the city;

And whereas *The Cities Act*, in section 306, requires cities to keep every street or other public place that is subject to the direction, control and management of the city, including all public works in, on or above the streets or other public place put there by the city or by any person with the permission of the city, in a reasonable state of repair;

And whereas *The Cities Act*, in section 8, authorizes the city to pass bylaws in relation to, amongst other matters, the safety, health and welfare and protection of people and property, transport and transportation systems, including carriers of persons or goods, subject to *The Traffic Safety Act*, the use of vehicles and the regulation of pedestrians, and streets and roads, including temporary and permanent openings and closings;

And whereas *The Traffic Safety Act*, S.S. 2004, c. T-18.1, in Part XVI and *The Highways and Transportation Act, 1997*, H-3.01, provides rules of the road which apply throughout the province;

Now, therefore, the Council of the City of Weyburn in the Province of Saskatchewan enacts as follows:

INTERPRETATION

Title

- 1 This Bylaw may be referred to as the Traffic Bylaw.

Purpose

- 2 The purpose of this bylaw is to fulfil the statutory responsibilities of the municipality over its streets and roads and to promote their safe use by motorists and pedestrians.

Authority

- 3 The authority for this bylaw is *The Cities Act*, in particular sections 8, 12, and 100, and subsection 381(3).

Definitions

- 4 (1) In this bylaw, except where otherwise required, words shall be given the same meaning as may be defined by *The Traffic Safety Act*, including the definitions in that Act of the following words:

- (2) In this bylaw, the following words shall be given the meaning stated below:
- “Chief of Police” means the person appointed as Chief of Police of Weyburn or the police officer acting as Chief of Police during the absence of the Chief of Police;
- “City” means the City of Weyburn;
- “Council” means the Council of the City;
- “Dangerous good” means a dangerous good within the meaning of *The Dangerous Goods Transportation Act* and any regulations pursuant to that Act;
- “Downtown” means from the south side of Bison Avenue to the south side of Railway Avenue; and the east side of Government Road to the west side of 4th Street NE;
- “Dangerous good vehicle” means any vehicle designed to haul dangerous goods and required to have a dangerous goods placard, including a vehicle pulling a trailer with such dangerous goods;
- “Director” means the Director of Engineering of the City or such other person employed by the City as department head whose responsibilities include streets and traffic or any person employed by the City who is authorized by the Director to act on behalf of the Director;
- “Heavy vehicle” means:
- (a) a motor vehicle with a gross weight registration exceeding 9,000 kilograms;
 - (b) any vehicle, including any combination of motor vehicle, trailer and load, with a weight exceeding 9,000 kilograms; or
 - (c) any vehicle, including any combination of vehicle and trailer, which exceeds ten metres in length;
- “Parking lane” means the curb lane when parking is permitted and intended for that lane of the highway and the adjacent lanes are intended for driving;
- “Pilot car” means a vehicle identified in conformity with the *Escort Vehicle Equipment Requirements* of the Saskatchewan Ministry of Highways and Transportation *Weights and Dimensions Administration Manual*, as amended;
- “Slow-moving vehicle” means any vehicle or equipment which:
- (a) is designed for use at speeds less than 40 kilometres per hour;
 - (b) normally travels at speeds less than 40 kilometres per hour; or
 - (c) is not capable of sustained speed greater than 40 kilometres per hour;
- and, for greater certainty, includes a bicyclist, person on horseback or horse drawn carriage.

CONTROL OF STREETS AND ROADS

Traffic Signs

- 5 (1) Installation of signs: The Director is hereby authorized to install and maintain traffic control devices for the purpose of the control, warning, stopping, yielding, guidance, information and direction of traffic conformity with this Bylaw, Uniform Traffic Control Devices of Canada or any traffic warrants approved by Council
- (2) Inventory of Signs: The Director shall keep an inventory of the location of all traffic control signs and the information shall be open to inspection at the office of the Director of Engineering during normal business hours.

Directing Traffic

- 6 (1) A police officer having jurisdiction in Saskatchewan is hereby authorized to direct traffic on any highway:

M-11 (a)

- (a) in conformity with this Bylaw and *The Traffic Safety Act*; or
 - (b) notwithstanding any other provision of this Bylaw, as the police officer or a firefighter responding to an emergency deems necessary to expedite traffic, safeguard pedestrians, prevent accidents or meet any unforeseen conditions in the event of a fire, traffic collision, traffic signal light malfunction or other emergency.
- (2) No person shall fail to comply with a direction or signal given by a police officer or a firefighter under authority of this section.

Traffic Control Devices

- 7 (1) The Director is authorized to have traffic control devices placed on or by highways for the purpose of the regulating, warning or guiding traffic in conformity with this Bylaw or any traffic warrants approved by Council.
- (2) Traffic control devices shall, in so far as reasonably possible, be designed and placed in conformity with the *Manual of Uniform Traffic Control Devices for Canada*.

Traffic Warrants

- 8 (1) The Director may, subject to available budget for the work, have traffic control devices placed at locations where such traffic control device meets traffic warrants approved by Council.
- (2) Council, in approving traffic warrants, shall provide criteria, such as traffic counts, incidence of collisions, or petitions from the public, which warrant the traffic control device.

Traffic Inventory

- 9 The Director shall keep an inventory of:
- (a) the location of all permanent traffic location devices installed by the City;
 - (b) the location of all signed or marked parking and stopping restrictions in the City;
 - (c) the location of all public parking lots provided by the City;
- and that inventory shall be open to public inspection at City Hall during normal business hours.

Temporary Road Closure

- 10 The Director and the Chief of Police are authorized as the designated officers with authority to temporarily close the whole or a part of a street at any time for any purpose considered necessary, as provided by section 14 of *The Cities Act*.
- 11 No person shall drive a vehicle on any street which has been temporarily closed, except where permitted by the designated officer who closed the street.
- 12 Notwithstanding any other provision in this Bylaw, the Director shall have authority to temporarily close to vehicular traffic or restrict parking or stopping on any public highway as follows:
- (a) to enable work to be carried out by or on behalf of the City, including road maintenance, street cleaning, snow removal and sewer or water line construction, repair or improvements;
 - (b) to facilitate the moving of any building, structure, machine or other object;
 - (c) to facilitate the construction, repair or demolition of a building, structure or other object; and
 - (d) to facilitate public gatherings.

M-11 (a)

- 13 Notwithstanding any other provision in this Bylaw, the Chief of Police shall have authority to temporarily close to vehicular traffic or restrict parking or stopping on any public highway for the purpose of a parade or assembly of persons.
- 14 Where a public highway is temporarily closed, the Director shall cause the highway to be marked with a sign or barricade indicating the closure and the hazards, if any, that would be encountered in its use.

No unauthorized work on Highways

- 15 No person shall:
- (a) interfere with the use of any highway;
 - (b) do any roadwork or snow removal on a highway;
 - (c) dump snow on a highway or within any road allowance;
- except as may be authorized by the Minister of Highways or the City or as otherwise allowed by law.

Obstructions

- 16 (1) No corner obstructions are permitted on any site except in accordance with the requirements of the City of Weyburn Zoning Bylaw as approved by the City of Weyburn Council.
- (2) The Director and Chief of Police are authorized to have removed any offending obstruction at the cost of the person who caused the obstruction to be placed there and to destroy or otherwise dispose of the obstruction.

TRAFFIC ROUTES & RESTRICTIONS

One-Way Streets

- 17 The highways identified in Schedule "A" to this Bylaw are designated as one-way streets or alleys.

Truck Routes

- 18 The routes shown on maps appended to this Bylaw as Schedule "B" are designated as truck routes.

Offence to drive off of Truck Route

- 19 No person shall drive or park a heavy vehicle on any highway not designated as a truck route, except:
- (a) where the owner or operator of the vehicle has obtained a permit to do so from the Director and then only according to the terms of that permit and provided the permit is in the vehicle and available for inspection by police;
 - (b) to pickup or deliver cargo transported by the vehicle, in which case the vehicle must follow the most direct route to and from the truck route.

Weight Restrictions

- 20 (1) No person shall operate any vehicle within the City of Weyburn that exceeds the legal allowable weight limitations of a road or is in contravention of the Province of Saskatchewan Vehicle Weights and Dimensions Regulation.
- (2) Any person transporting any oversize load (weight or dimensions) shall provide to the City of Weyburn copies of any permits issued by the Province of Saskatchewan a minimum of 72 hours in advance of the load being moved through or about the City of Weyburn.

PARKING AND STOPPING

Signs

- 21 (1) Where a sign indicates parking or stopping restrictions by directional arrow, that restriction shall continue in the direction of the arrow to the next street intersection unless interrupted by a similar sign with a directional arrow or by signs permitting parking.
- (2) Time limits for parking shall apply within the street block where parking is limited such that the restriction shall continue to apply to any vehicle which is moved but remains on the same side of the same block of the street.

Parking at Curb

- 22 No person shall park a vehicle on a street except:
- (a) at the right-hand curb on a two-way street;
 - (b) at either curb on a one-way street;
 - (c) parallel to or alongside the curb unless angle parking is indicated by signs or markings;
 - (d) in the direction of traffic on that side of the street;
- provided such parking is not otherwise prohibited by this Bylaw.

Parallel Parking

- 23 (1) No person shall park a vehicle on a street where parallel parking is provided:
- (a) with the front or rear wheel nearest the curb more than 0.6 metres from that curb;
 - (b) within 0.6 metres of any vehicle previously parked in front of or behind the vehicle.
- (2) Notwithstanding subsection (1), where the vehicle is a solo motorcycle, the motorcycle shall be parked at an angle of 45 degrees to the curb with the rear wheel no more than 0.6 metres from the curb.

Angle Parking

- 24 (1) No person shall park a vehicle on any street where angle parking is provided except:
- (a) in accordance with signs or markings designating a parking stall;
 - (b) where the angle of the parking stall is less than 90 degrees with the leading edge of the vehicle's bumper within 0.6 metres of the curb; and
 - (c) where the vehicle measures less than seven metres in overall length.
- (2) No person shall back a vehicle into a parking stall intended for angle parking.

Parking Lots

- 25 The Director of Engineering has set out parking stalls in the public parking lots which are listed in Schedule "E".
- (a) No vehicle shall be left or parked in any public parking lot which is listed in Schedule "E" unless it is wholly within the boundaries of a parking stall as described in section 21 of this bylaw and is not oversized as described per section 26 (1) of this bylaw.
 - (b) No vehicle shall be left or parked in any public parking lot which is listed in Schedule "E" for more than forty-eight (48) consecutive hours.

Parking With Engine Running

- 26 No person shall park a vehicle on any public highway with the engine running unless the vehicle remains in charge and under the control of an operator or is completely locked and with the emergency brake on.

Parking Restrictions on Highways

- 27 No person shall park a vehicle on any highway:
- (a) where parking is prohibited by display of an authorized sign;
 - (b) for a longer time than allowed, where the time period for parking is limited by display of a sign;
 - (c) for longer than 48 hours, where no other time limit is posted;
 - (d) in a parking stall marked as reserved for the handicapped, unless the vehicle bears a valid sticker or placard issued by the Saskatchewan Abilities Council or Canadian Paraplegic Association;
 - (e) within one metre of the edge of a driveway and no vehicle shall be parked such that it obstructs the access/egress of any driveway.
 - (f) within three metres of a fire hydrant, measured parallel to the curb;
 - (g) within three metres of an alley or lane intersection;
 - (h) within fifteen metres of a railway track;
 - (i) within fifteen metres of the nearest edge of asphalt of an intersecting street, unless parking is permitted by an authorized sign;
 - (j) within three metres of a painted pedestrian crosswalk;
 - (k) on any traffic lane;
 - (l) on any centre median or boulevard, except where parking is allowed by sign or markings;
 - (m) where the posted speed limit exceeds 50 kilometres per hour;
 - (n) which has been temporarily closed to traffic;
 - (o) where the vehicle does not display a current licence plate registered to that vehicle;
 - (p) where the vehicle displays "for sale" signs.

Parking Prohibited off roadway

- 28 No person shall park a vehicle on any:
- (a) alley, except that a vehicle may be parked in an alley:
 - (i) for no more than thirty minutes;
 - (ii) where actually engaged in loading or unloading; and
 - (iii) on Sundays or holidays or on other days between the hours of 8:00 p.m. and 10:30 a.m.;
 - (b) sidewalk;
 - (c) side boulevard or other part of the road allowance not intended for parking;
 - (d) municipal property not intended for use as a parking lot;
 - (e) private property without the permission of the owner or occupant.

Oversized Vehicle Parking

- 29 (1) No person shall park a vehicle on a highway where the vehicle has:
- (a) a gross registered weight or actual weight exceeding 5,500 kilograms;
 - (b) an overall length of more than seven metres;
- for longer than one hour.
- (2) Subsection (1) shall not apply to:
- (a) vehicles engaged in authorized road works;
 - (b) recreational vehicles.

Dangerous Goods Vehicle Parking

- 30 No person shall park a dangerous goods vehicle within 150 metres of any place of public assembly, except when:
- (a) making a pickup or delivery of dangerous goods; and
 - (b) the dangerous good vehicle and the pickup or delivery process is under constant supervision during the period of time that the dangerous good vehicle is parked.

M-11 (a)

No Unattached Trailer Parking

31 No person shall park a trailer that is unattached from a towing vehicle.

No Stopping

- 32 No person shall stop a vehicle on any highway:
- (a) where stopping is prohibited by display of an authorized sign;
 - (b) in a traffic lane, except where required by traffic, a traffic control device or as directed by a peace officer.

Repair of Vehicles on Roadway

- 33 (1) No person shall wash, repair, dismantle or otherwise work on a vehicle on a highway, except in case of emergency and then only in the curb lane of the street.
- (2) When a vehicle breaks down on a highway, the operator shall immediately move the vehicle off the road or into the parking lane.
- (3) No person shall leave any vehicle for more than three hours on any highway when that vehicle has been placed on a jack or blocks.

MOVING VIOLATIONS**Speed Limits**

34 No person shall operate a vehicle in excess of the speed limit set by this Bylaw.

General Speed Limit

- 35 (1) The general speed limit within the City is set at 40 kilometres per hour, unless a different speed limit is provided in Schedule "C" to this Bylaw, which speed limits should be posted.
- (2) This general speed limit does not apply to any provincial highway which has a higher posted speed limit under *The Traffic Safety Act*.

School Zone Speed Limit

36 The speed limit in a school zone is set at 30 kilometres per hour.

U-Turns

- 37 (1) No person operating a vehicle shall turn the vehicle on a highway so as to proceed in the opposite direction except:
- (a) at a street intersection not controlled by a traffic signal light, pedestrian signal, activated pedestrian corridor, or a school safety patrol;
 - (b) at a break in the centre median;
 - provided that there are no signs prohibiting U-Turns.
- (2) No person operating a vehicle, having turned or turning the vehicle to proceed in the opposite direction, shall proceed until it is safe to do so.

Slow-moving Vehicles

- 38 No person shall operate a slow-moving vehicle on any highway from one-half hour before sunset and one half hour after sunrise, except where the slow-moving vehicle:
- (a) is equipped with operating headlights and tail lights; or
 - (b) is preceded and followed by pilot cars.

M-11 (a)

Farm Machinery and Road Construction Equipment
