We are urging anyone using the river to be particularly careful and make sure the ice is thick enough before you venture on. With the very mild temperatures the ice may not be well formed, and now with a covering of snow even with colder temperatures expected will take extra time to freeze to a safe thickness.

If you or anyone you know has information about a crime, the Weyburn Police Service urges you to contact Crime Stoppers by: phone 1-800-222-TIPS (8477), or call Weyburn Police Service at 306-848-3250.
