

Weyburn Police Service
Media Release for February 14, 2018 - February 17, 2018

The past week had a fairly routine number of calls which for the most part were not newsworthy.

In general the Weyburn PS continues to receive almost daily reports of scams. One of the latest is that the phone will ring once. If the person tries to call back to see who called the other party is somehow able to take control of the line which may result in extremely high long distance charges being applied to the phone account.

If you do receive a one-ring call, or see a number on your phone that you do not recognize please be diligent in determining if it is legitimate before you attempt to call it back.

February 14

The Weyburn PS was dispatched to a report of a 2-vehicle collision on Coteau Avenue at 5th Street NE. There were no injuries.

Intersections controlled by a 4-Way Stop are very common in Weyburn and require a bit of thinking about who has the legal right-of-way. While it is common practice that the person who stops first gets to go first, legally speaking the Law is that you must Yield the Right-of-Way. That means if 2 vehicles come to the intersection at the same time, the vehicle on the 'right' has the lawful right-of-way.

February 15

The Weyburn PS continues to receive complaints about people committing bullying via text message or other social media. While each case needs to be examined and investigated in the proper circumstances these acts may constitute an offence under the Bylaw.

February 16

As the result of a vehicle stop a male driver was charged for Driving While Suspended.

February 17

The Weyburn PS is investigating 2 reports of vehicles being egged. These incidents happened in the 100 and 200 Blocks of 17th St NE. Anyone with information is asked to contact either the Weyburn PS, or to call Crime Stoppers at 1-800-222-8477.

If you or anyone you know has information about a crime, the Weyburn Police Service urges you to contact Crime Stoppers by phone 1-800-222-TIPS (8477) or call Weyburn Police Service at 306-848-3250.
